J.J. BANKS

Sci-Fi Nerd

As an amazing fan of the "Star Wars" films, JJ Banks can expertly quote nearly any line from any of the movies. So strong is JJ's love for "Star Wars" that he lives much of his life imagining himself as a "jedi." Yet, as much fun as the "Star Wars" movies are, JJ soon finds himself excited to discover at the J-Di Academy that he can become a TRUE warrior as a disciple of Jesus.
