## **LUNA ORGANIC** *J-Di Warrior*

*Luna, a disciple of Jesus Christ, wields the Saber of Light (God's Word) with great skill and knowledge. But knowledge and skill must also be paired with passion for Christ to fight against the Dominion of Darkness effectively. For a time, Luna lost her zeal until a rookie J-Di set her straight, reminding her that a true J-Di not only knows the Word of God, but lives it out with love and passion.*
